

From the President

In this issue of *Psychotherapy E-News* we experience a change in editor of online publications for Division 29. I express my great thanks to Bryan Kim who has served Division 29 as its Web Editor and as the editor of *Psychotherapy E-News*. Bryan has been a delight to work with and he has made numerous contributions to the division.

I am very pleased to welcome our new Web Editor and editor of *Psychotherapy E-News* Abe Wolf. Abe is a Past President of Division 29 and he previously served as Web Editor for the division. Abe is also a member of Division 29's new Website Redevelopment Task Force. It is wonderful to have Abe continuing to make contributions to division 29 in these roles. He brings a wealth of experience to this work.

I hope members will contact Abe and submit announcements, brief reports, updates, and the like for inclusion in *Psychotherapy E-News*. Abe can be contacted at axw7@CWRU.EDU. This is your publication. Please contribute to it, let us know how we can better serve you, and please provide feedback on what we're doing. If you have any questions, comments, or want to get more involved in Division 29 please contact me at drjbarnett1@comcast.net.

Please be sure to look for the Division 29 Convention Program in the summer issue of the *Psychotherapy Bulletin*. Our convention program chairs, Nancy Murdock and Chris Brown, have done an outstanding job in putting together a first rate program. We'll also be celebrating Division 29's 40th Anniversary at the convention. Please be sure to attend our Award Ceremony/Anniversary Celebration and our Social Hour at the convention. More details to follow.

With best wishes to all –

Jeff
